PLDCA 6 Year Financial Plan.

We are 1.5 years into the plan. A BIG Thank you to: BC Gaming Commission for \$100,000 matching grant over 3 years. Saanich Municipality for \$85,000 five year, interest free loan. Country Grocer for over \$30,000 and continuing. Aikido for \$45,000+ over past 5 years. Thank you very much also to all the many members and local businesses contributing funds and volunteer hours for this major mid-life refit of the community hall and the association. For each of the next 5 years the PLDCA must raise some \$35,000/year to cover operating costs and loan repayments.

Together we can do it, have fun and build our community!

Prospect Lake & District Community Association

Stewards of the Tod Creek Watershed

The PLDCA was formed in 1956, and is dedicated to building and conserving the community.

Celebrating over 53 years of involvement in our community. The PLDCA is one of the longest running community associations on the island and has a proud history of community activities and stewardship.

Supported by volunteer groups for five decades the association and community hall are an expression of the strong sense of neighbourhood sharing and stewardship.

Built in 1959 the PLDCA hall has provided support for community events, dances, and activities for over 50 years. Our treasured community hall is now undergoing a mid-life refit.

The Hall & Community. Two years ago it was apparent our hall was in dire condition. A major emergency renovation was needed to fix the hall and enable our community events to continue. The PLDCA community has successfully come together in a wonderful way for one of its biggest undertakings since 1959. We are nearly there!

Details on the wide variety of our community activities are listed inside. We welcome you to participate in these rich social events. We thank our membership and contributors who make these possible and thereby sustain our hall and build our community. If you are not yet a member we invite you to consider the benefits of a sustainable community resource for our neighborhood. June 2009.
